## The Foundations Have Been Laid Long Ago

(The Apotheosis of George Washington as displayed on the ceiling of the Rotunda of the Capitol Building in Washington, DC (painted by Constantino Brumidi - 1865). It depicts George Washington rising to the heavens in glory sitting on a throne as a God. Very few recognize the spiritual elements of the architecture and the symbolism of this building which literally makes it a temple of Masonic mysteries. The city of Washington is even located in the District of the (Goddess of Columbia). In 1791, President Washington commissioned Pierre (Peter) Charles L'Enfant, a French-born architect, city planner and freemason, to design the new capital and City of Washington. The masons had wanted America to be a 'New Atlantis' and Washington, D.C. a second Rome. They were committing America to what has been called 'A Secret Destiny'. This future 'destiny', is 'The New World Order'. Watch a youtube video on [The New World Order](#); Listen to an audiobook on [Freemasonry - The Truth](#) (right click to download))

The ideal of a "New World Order" might never be closer than now. It may not be long before all of us experience an abrupt change in our way of living. There has been a group that consists of Masons, Jewish Bankers, and other influential wealthy individuals that has worked for a very long time through Freemasonry and the Order of the Illuminati to achieve this "New World Order". Their goal is to set up a Global Police State with a more controlled society and continuous surveillance over every citizen! First they'll destroy this present world system (Old Order) and then bring in their global government. They have everything in place and ready to go so when the time is right they will make their move without any hesitation. When these elite establish their "New World Order" the social and economic conditions are going to be similar to the fictional Orwellian Police State having mass mind control and everything under the control of the totalitarian state! When this happens people are going to have no other choice but to accept Big Brother monitoring their private and public lives 24/7. Related videos and articles. By setting in place post-9/11 laws and increasing the use of CCTV cameras, biometric scanners, security equipment, etc. they'll be able to get every individual subordinated to their will when the time comes. This is their main agenda "Order Out Of Chaos". We should expect more false flag attacks - such as 9/11, made up terror plots, and an ongoing worldwide economic crisis all of which will surely instill fear and panic into the hearts of all people.

It seems like they want us to always be on edge and waiting for the other shoe to drop. Our waking up to this knowledge is crucial because it looks like they're steadily on course and close to fulfilling their goals.

For the elite it's all about this planet's vast but ultimately limited resources. They are very interested in these resources and they want to own and control all of them if they can. And it shouldn't be a surprise to us that they're not at all concerned about the general population because it's all about them. Harsh as this may seem to us ordinary folks

these elite have already made up their minds a very long time ago about what they have to do with the masses of humanity. They came to the decision that these Useless Eaters Must Go! If we could see into the hearts of these global elite it would reveal that they have a very strong desire to usher in this New World Order/Police State with the conviction that if they must they'll use any means necessary to bring this to pass (Problem - Reaction - Solution/Hegelian Dialectic). How can they without any hesitation go through with this task? Because these elite believe they have reached a higher point in their evolution and have the necessary wisdom to rule the rest of mankind. They believe there are but a few mature minds in the world and that those with the mature intellect need to guide humanity. Secret societies are all the same at the higher levels. All the adepts belong collectively to what is known as the "Illuminati" which means the "illuminated ones". The Illuminati are those who have progressed through the various initiations in the particular branch of the Secret Society to which they belong until they have reached the stage of true illumination. They use a term known as, "the great work". They hold this to be the achievement of a benevolent world dictatorship, if you will, a one world government.

Concerning secret societies and freemasonry - "They are regarded as the direct descendant, or as a survival of the mysteries... of Isis and Osiris in Egypt..." - Robert Freke Gould, History of Freemasonry. "When later he [the secret society member or mason] is given Light, it means really that he is taught the principles of occultism ..." - Arthur H. Ward, Masonic symbolism and the Mystic Way. In other words the true inner dealings and workings of the lodges are based entirely upon the ancient Egyptian and Babylonian mystery schools of Lucifer or sun worship. The Illuminati was founded by Adam Weishaupt a professor at Ingolstadt University in Bavaria on May 1, 1776. Weishaupt recruited an inner circle of Masonic men that he felt would be receptive of his system of Illuminism and accepted them into the Illuminati. Weishaupt directed the Illuminati by means of the Masonic Lodge. Through these men Weishaupt created a (Lodge within a Lodge) dedicated to fulfilling his own agenda. The Order of the Illuminati started when the American Revolution was already under way and it was brought to America by the Jewish immigrants, and colonists who had been sent to Europe and were introduced to it while there. Before the Colonies were united, the Constitution adopted, and our Republic established, fifteen lodges of the Order of the Illuminati were formed in the thirteen Colonies. The Columbian Lodge of the Order of the Illuminati was established in New York City in 1785. The basic doctrines and goals of the Illuminati can be summed up in these six points. 1. Abolition of monarchy and all ordered government 2. Abolition of private property 3. Abolition of inheritance 4. Abolition of patriotism 5. Abolition of the family (i.e. of marriage and all morality, and the institution of the communal education of children) 6. Abolition of all religion (Note - In the year 1782 to put an end to the numerous disputes among Masonic bodies, a congress was assembled at Meyer Amschel Rothschild's castle in Wilhelmsbad. It was Mayer Amschel Rothschild who convinced Weishaupt to wholly accept the Frankist Cabbalist doctrine and who afterwards financed the Illuminati. This congressional meeting was attended by Masons from Europe, America, and Asia. And on July 16th, 1782 an alliance between Illuminism and Freemasonry was sealed. This pact joined together all the leading secret societies of the day and united "not less than 3 million members all over the world.")

Regarding population control here's some interesting topics. (1) Chemtrails. There may be a lot more going on with aerosol spraying besides keeping global warming under control. People who have thoroughly researched this subject or have personally witnessed them spraying chemtrails debate why they're spraying so much and if there's a hidden agenda to this? Watch youtube video [Aluminum Raining Down On Us](#). And read [Stratospheric Aerosol Geoengineering](#). And also read [Carnegie Institute Calls For Spraying Aerosols To Block The Sun](#). (2) Smart Meters. "Smart" Meters are wireless digital utility meters that broadcast customers' usage information to the utility using a radio-frequency transmitter and are rapidly replacing older analog style meters in certain areas of the country. Wireless "smart" meters are dangerous because they emit radio-frequency microwave radiation that's part of the range of frequencies recently placed in the category "possible human carcinogen" by the World Health Organization (May 2011). people than physically to kill a million people. Today it is infinitely easier to kill a million people than to control a million people". - Zbigniew Brzezinski (Council on Foreign Relations, Trilateral Commission, Bilderberg Group, Carter/Obama Advisor)    Read this article **19 Ways Cancer Becomes the Ultimate Soft-Kill Operation.**
